Round Robins - PNM Party Absence Letter

Dear Women of [Chapter Name] ,

My name is [Your Name], and I am a first-year student participating in formal recruitment. I am so sorry that I was unable to attend [Round Name] today. I had been looking forward to this round, but [brief explanation (e.g, medical issue, unavoidable appointment, illness, travel delay, or emergency)] made it impossible for me to be there. I was genuinely disappointed because I've really been looking forward to getting to know your chapter and the ISC as a whole better through this process

Because you weren't able to meet me in person today, I wanted to share a little bit about myself. I'm from [hometown/state], and I'm currently studying [major or intended major]. I'm someone who loves [hobbies/interests: examples—baking, working out, reading, volunteering, art, sports, music, beach trips, etc.], and I spend most of my time [a few personal details—clubs, school activities, passions].

A little bit about my personality: I would describe myself as [2–3 traits: examples—driven, creative, upbeat, thoughtful, hardworking, curious, loyal, etc.]. I value [community, helping others, leadership, friendship, academics, etc.], and those are some of the reasons I'm so excited about joining a sorority. I'm hoping to find a group of women who support one another, value authentic connections, and want to grow together.

Thank you again for taking the time to read this and for being so understanding. Even though I couldn't be there today, I hope I will have the opportunity to return for the next round and get to know your chapter better.

Sincerely,

[Your Name]

Dear Women of [Chapter Name] ,

I hope you are doing well. My name is [Your Name], and I wanted to apologize for being unable to attend [Round Name] today. Unfortunately, [brief reason (e.g, illness, medical appointment, urgent situation, unavoidable conflict)] prevented me from being there. I've genuinely enjoyed getting to know your chapter throughout this process, and I'm disappointed to miss the chance to continue our conversations today. Speaking with the women I met during previous rounds has been a highlight of recruitment for me, and I truly appreciated the warmth and thoughtfulness I experienced in those rounds. Thank you for your understanding. I hope to be able to return for the next round and continue learning more about your sisterhood.

Sincerely,

[Your Name]
